

MASTER CLASS

TEACHING ADVICE FOR JOURNALISM AND MASS COMMUNICATION INSTRUCTORS

THE AEJMC ELECTED STANDING COMMITTEE ON TEACHING
EDITED BY CHRIS ROUSH

"Excellent, down-to-earth information—and wisdom—on teaching. Everyone who teaches would improve by reading it."

—Richard Cole, UNC at Chapel Hill

"A treasure trove of tips, guidance, examples, quotes, resources and, above all, encouragement for today's journalism and mass communication educators from some of the best teachers in the field."

—Jennifer D. Greer, University of Alabama

Members of the AEJMC Elected Standing Committee on Teaching take readers behind the scenes to explain the teaching strategies, preparation tips, exercises, and project ideas that have, in many cases, earned them university and national teaching awards. It is designed to benefit everyone from instructors-in-training who are about to teach their first class to more experienced professors who are looking for ways to freshen their approach in the classroom.
